EXPLANATORY NOTES AND MATERIALS

Securityholders are referred to the explanatory memorandum that accompanies and forms part of this notice of meetings.

VOTING EXCLUSION STATEMENTS

For all resolutions that are directly or indirectly related to the remuneration of a member of the key management personnel (**KMP**) of Abacus Property Group (being Resolutions 2 and 4), the Corporations Act 2001(Cth) (**Corporations Act**) restricts KMPs and their closely related parties from voting in some circumstances. 'Closely related party' is defined in the Corporations Act and includes a spouse, dependant and certain other close family members, as well as any companies controlled by a relevant KMP.

Resolution 2 - Remuneration Report:

Abacus Property Group will disregard any votes cast (in any capacity) on Resolution 2 by or on behalf of a KMP named in the Group's Remuneration Report or that KMP's closely related party, or as a proxy by any KMP at the date of the Meetings or that KMP's closely related party, unless the vote is cast:

- as proxy for a person entitled to vote in accordance with a direction on the proxy form; or
- by the Chairman of the Meetings as proxy for a person who is entitled to vote in accordance with an express authorisation in the proxy form to vote as the proxy decides.

Resolution 4 - Grant of deferred incentive securities to the Managing Director

Abacus Property Group will disregard any votes cast on Resolution 4 by the Managing Director (being the only director of Abacus Property Group who is eligible to participate in the employee incentive scheme in respect of which approval is sought) or any of his associates, or as a proxy by a KMP at the date of the Meetings or a KMP's closely related party, unless the vote is cast:

- as proxy for a person entitled to vote in accordance with a direction on the proxy form; or
- by the Chairman of the Meetings as proxy for a person who is entitled to vote in accordance with an express authorisation in the proxy form to vote as the proxy decides.

PROXIES AND CORPORATE REPRESENTATIVES

If you are unable to attend the meetings, you are encouraged to appoint a proxy to attend and vote on your behalf.

A securityholder entitled to attend and vote at the meetings is entitled to appoint a proxy. A securityholder entitled to cast two or more votes may appoint two proxies and may specify the proportion or the number of votes each proxy is appointed to exercise. A proxy need not be a securityholder of the Abacus Property Group. Abacus Property Group must receive proxies at least 48 hours before the meetings (**that is, before 10am (Sydney time) on Wednesday 11 November 2015**). A proxy form is provided with this notice.

You can direct your proxy how to vote by following the instructions on the proxy form. Securityholders are encouraged to direct their proxy how to vote on each item of business.

Any directed proxies that are not voted on a poll at the meetings by a Securityholder's appointed proxy will automatically default to the Chairman of the Meetings, who is required to vote proxies as directed on a poll.

The KMP of Abacus Property Group (which includes all directors) will not be able to vote your proxy on remuneration related resolutions (being Resolutions 2 and 4) unless you direct them how to vote, or the Chairman of the Meetings is your proxy.

If you intend to appoint the Chairman of the Meetings as your proxy (or if he becomes your proxy by default), you can direct him how to vote by marking one of the voting boxes for the relevant resolution on the proxy form (for example to vote 'for', 'against' or 'abstain' from voting). Alternatively, if the Chairman of the Meetings is or becomes your proxy and you do not mark any of the boxes opposite a resolution, the Chairman may vote as he sees fit. Please note that by submitting the proxy form without voting instructions, you will be giving the Chairman of the Meetings your express authority to vote your proxy as he decides on remuneration related resolutions, even though the resolution is connected directly or indirectly with the remuneration of a member of the key management personnel of Abacus Property Group.

The Chairman of the Meetings intends to vote all available proxies in favour of each Resolution.

Completion of a proxy form will not prevent individual securityholders from attending the meetings in person if they wish. Where a securityholder completes and lodges a valid proxy form and then the securityholder attends the meetings in person, if the member votes on a resolution, their proxy is not entitled to vote, and must not vote, on that resolution.

If a securityholder appoints a body corporate as a proxy, that body corporate will need to ensure that it:

- appoints an individual as its corporate representative to exercise its powers at the meeting, in accordance with section 250D of the Corporations Act; or
- provides satisfactory evidence of the appointment of its corporate representative prior to commencement of the meeting.

Corporate securityholders should comply with the execution requirements set out on the proxy form or otherwise comply with the provisions of section 127 of the Corporations Act.

The corporate representative certificate (or a photocopy of it or a facsimile of it) must be lodged by one of the below methods by 4.00pm (Sydney time) on the day before the meeting.

Proxies and corporate appointment of representative forms must be lodged before 10am (Sydney time) on Wednesday 11 November 2015 using the reply paid envelope or:

BY ONLINE VOTING: www.votingonline.com.au/abacusagm2015

BY MAIL: Registry - Boardroom Limited, GPO Box 3993, Sydney NSW 2001 Australia

BY FAX: + 61 2 9290 9655

BY HAND: Level 12, 225 George Street, Sydney NSW 2000 Australia

VOTING ENTITLEMENTS

In accordance with Corporations Regulations 7.11.37, the directors have determined that the securityholding of each securityholder for the purposes of ascertaining the voting entitlements for the meetings will be as it appears in the Abacus Property Group Security Register at 7.00 pm (Sydney time) on Wednesday, 11 November 2015. Accordingly, security transfers registered after that time will be disregarded in determining entitlement to attend and vote at the meetings.

EXPLANATORY MEMORANDUM

Item 1: Receive and consider the Annual Financial Report and other reports

As required by section 317 of the Corporations Act, the Annual Financial Report and other reports for the financial year ended 30 June 2015 will be laid before the meetings.

Securityholders will have a reasonable opportunity as a whole to raise questions on the reports and on the performance of Abacus Property Group generally, and may ask questions of the Group's external auditor that are relevant to:

1. the conduct of the audit;
2. the preparation and content of the auditor's report;
3. the accounting policies adopted by the Group in relation to the preparation of its financial statements; and
4. the independence of the auditor in relation to the conduct of the audit.

Questions directed to the auditor may be submitted in writing to Company Secretary, Abacus Property Group, Level 34 Australia Square, 264-278 George Street, Sydney NSW 2000, and must be received by no later than **7.00 pm on 6 November 2015**. If written questions are received, the question list will be made available to securityholders attending the meetings. The auditor may answer the questions at the meetings or table written answers. If written answers are tabled, they will be made available to securityholders after the meetings.

There is no vote on this item of business.

Resolution 2: Adoption of Remuneration Report

The Remuneration Report forms part of the Directors' Report set out in the 2015 Abacus Property Group Annual Report. The Remuneration Report includes:

- an explanation of the Group's policy for determining the remuneration of directors and executives;
- a discussion of the relationship between the policy and the Group's performance; and
- details of the performance conditions associated with the remuneration of the directors and executives.

Securityholders will have a reasonable opportunity as a whole to ask questions about, or make comments on, the Remuneration Report.

The vote on this resolution is advisory only and does not bind the directors or Abacus Property Group; however the directors will have regard to the outcome of the vote and any discussion when setting the remuneration policies of the Group in future years.

A voting exclusion statement applies to this resolution, as set out in the Notice of Meetings.

The directors recommend that securityholders vote **in favour** of this resolution.

The Chairman of the Meetings intends to vote all available proxies **in favour** of this resolution.

Resolution 3: Re-election of Directors

Resolution 3.1: Re-election of Mr William Bartlett

William (Bill) Bartlett retires by rotation in accordance with the constitutions of the Companies and, being eligible, offers himself for re-election.

Bill is an independent Non-Executive Director who joined the Board in 2007. He is a chartered accountant and has strong accounting, financial and corporate credentials. As a partner at Ernst & Young for 23 years, he held the roles of Chairman of Worldwide Insurance Practice, National Director of Australian Financial Services Practice and Chairman of the Client Service Board. Bill is a director of Suncorp Group Limited, GWA Limited, Reinsurance Group of America Inc and RGA Reinsurance Company of Australia Limited. He is Chairman of the Cerebral Palsy Foundation.

Bill is Chairman of the Remuneration and Nomination Committee and a member of the Due Diligence and Audit and Risk Committees.

Resolution 3.2: Election of Mr Peter Spira AM

Listing Rule 14.4 and the Companies' constitutions require that at an AGM, a director who was appointed to fill a vacancy or as an addition to the Board since the last AGM, holds office until the conclusion of the next AGM but is eligible for election at that AGM. Mr Peter Spira was appointed to the Boards of the Companies as a director on 27 May 2015.

Peter is an independent Non-Executive Director. He has over 36 years' experience in the Australian real estate sector with Meriton Group, Australia's largest residential apartment developer. He was responsible for Meriton Group's development projects while also leading the Meriton team in researching and developing new construction and remediation systems. Peter was a director of Meriton Group from 2005 until 2015. In 2006 he received the Order of Australia (AM) for services to the development industry. He is a director of Retire Australia.

Peter is a member of the Due Diligence Committee.

The directors (other than the director who is the subject of the relevant resolution) recommend that securityholders vote **in favour** of each of these resolutions.

The Chairman of the Meetings intends to vote all available proxies **in favour** of each of these resolutions.

Resolution 4: Grant of deferred variable remuneration to the Managing Director

Securityholder approval is being sought to allocate to the Managing Director (MD) of Abacus Property Group, Dr Frank Wolf OAM, deferred variable remuneration in the form of deferred security acquisition rights (SARs) under the Group's Deferred Security Acquisition Rights Plan (Plan). The Plan has been designed to align the interests of executives with those of securityholders by providing for a significant portion of the remuneration of participating executives to be linked to the delivery of sustainable and growing underlying profit that covers the distribution level implicit in the ABP security price and incremental growth in capital value.

Subject to securityholder approval, the Boards have determined to grant a deferred variable remuneration award to the MD in respect of the financial year ending on 30 June 2016 of 233,176 SARs. The SARs will be granted on or about 30 November 2015, but in any event within 12 months of the meetings.

Why is securityholder approval being sought?

ASX Listing Rule 10.14 requires that securityholders approve awards of SARs issued to directors under an employee incentive plan, unless the terms of the plan require that the securities received on vesting of a SAR will be purchased on market. The intention of the requirement is to protect securityholders from dilution in the value of securities that may occur as a result of the operation of employee incentive plans. No such dilution occurs if securities are purchased on market.

All ABP securities required to satisfy the vesting of SARs awarded will be purchased on market and so there will be no dilution to securityholders' interests. Although there is therefore no requirement to do so under the ASX Listing Rules, the Boards consider it good governance to seek approval from securityholders for awards made to the MD.

Background

Each year the Boards review and approve the remuneration of the MD. The MD's remuneration is set in accordance with the Group's Executive Remuneration Policy which supports the achievement of the Group's overall objective of producing sustainable growth and consistency of yield and aligns the interests of executives with those of securityholders through the use of current and deferred incentives.

Consistent with the Executive Remuneration Policy, the MD's remuneration package for the financial year ending 30 June 2016 will include:

- (a) fixed remuneration (base salary, superannuation and non-monetary benefits)
- (b) variable remuneration comprising:
 - current variable remuneration; and
 - deferred variable remuneration.

The deferred variable remuneration applicable to the 2015/2016 financial year was assessed following the end of the 2014/2015 financial year at the same time as the assessment was made of the MD's current variable remuneration for the 2014/2015 financial year. The Boards have determined to grant to the MD a deferred variable remuneration award of \$700,000 for the financial year ending 30 June 2016, to be satisfied, subject to securityholder approval, in the form of SARs granted in accordance with the Plan.

The Plan - deferred variable incentives

Overview: The Plan involves an annual grant of deferred variable incentives, in the form of SARs, to participants. Each SAR represents a right to receive one fully paid ABP security, subject to satisfaction of performance conditions and to continued employment with the Group. The Plan exposes executives to fluctuations in the ABP security price throughout the vesting period and directly rewards them for increasing ABP's security price over that period.

The MD's SARs will vest in four equal tranches of 58,294 SARs each, over a four year period from the first, second, third and fourth anniversaries of the conditional allocation date, being 8 September 2015.

The Boards may provide cash or other benefits with equivalent value on vesting but their current intention is to provide Abacus Property Group securities. The MD is entitled, before any tranche of SARs vests, to extend the vesting date for that tranche by 12 months. This right may be exercised at any time and from time to time in respect of any unvested tranches while the MD's employment continues.

Quantum of award: For the financial year ending 30 June 2016, subject to securityholder approval, Dr Wolf will be granted 233,176 SARs. Additional ABP securities may be granted after each vesting date equivalent to the aggregate of the distributions per ABP security paid (or declared but unpaid) during the period from the conditional allocation date of the relevant tranche to the vesting date for that tranche.

Performance hurdle: The level of distributions on ABP securities is implicit in its security price. If distribution levels are not at least maintained in the period between allocation and vesting, the value of unvested SARs will effectively decline. The grant of SARs therefore creates an inherent incentive to grow distribution levels and, consequently, an alignment with the medium term interests of securityholders. In addition, vesting is subject to a threshold performance hurdle: unvested tranches will lapse if the distributions per ABP security over the applicable vesting period fall by more than a specified percentage against the sustainable annual distribution rate determined by the Boards in August 2015. For the purposes of these calculations, the Boards retain the discretion to exclude the impact of exceptional or abnormal items where appropriate.

Distributions: To achieve a closer alignment of the interests of securityholders, when a tranche of SARs vests, the MD will also be paid in respect of each SAR that vests an amount (a notional distribution) equivalent to the aggregate of the distributions per ABP security paid during the period from allocation date of the relevant tranche to the vesting date for the relevant tranche plus the amount of any distribution per security declared and unpaid as at the vesting date. It is intended the entitlement will be satisfied in ABP securities, but the Boards may, in their discretion, satisfy this entitlement in cash. The number of additional securities will be calculated by dividing the amount of the notional distribution by the VWAP of ABP securities over the first 10 trading days after the date the relevant tranche vests.

Termination of employment: The treatment of any unvested SARs at the time of termination depends upon the nature of the termination. If, for example, the MD is terminated for cause or for any other reason determined by the Boards not to be a 'good leaver' circumstance, any unvested SARs will lapse (unless the Boards determine otherwise). If the MD is a good leaver (eg the termination is due to death, disability, termination without cause, genuine retirement), the unvested SARs will remain on foot, subject to the original performance condition as though employment had not ceased and will vest on the original testing dates. However, the Boards retain the discretion to lapse all or any part of unvested SARs on cessation of employment.

Additional information: The early vesting of the SARs may be permitted by the Boards in other limited circumstances such as a change in control of Abacus Property Group, in which case the MD will be entitled to an amount determined by the Boards, having regard to the extent to which the performance hurdle has been achieved at the date of the change of control, the alignment between the interests of the then current securityholders and the MD during the change of control process and any other matter the Boards consider relevant.

No amount is payable by the MD upon the grant of these SARs or to acquire Abacus Property Group securities at vesting. No loan will be provided to the MD in relation to the deferred variable remuneration award.

Other than the MD, no director (or associate of a director) is currently entitled to participate in the Plan.

The directors (other than Dr Wolf) recommend that securityholders vote **in favour** of this resolution.

The Chairman of the Meetings intends to vote all available proxies **in favour** of this resolution.
