Explanatory notes and materials

Securityholders are referred to the explanatory notes that accompany and form part of this Notice of Meetings.

Voting exclusion statements

For all resolutions that are directly or indirectly related to the remuneration of a member of the key management personnel (KMP) of Abacus Property Group (being Resolution 2 and 4), the Corporations Act 2001 (Cth) (Corporations Act) restricts KMPs and their closely related parties from voting in some circumstances. 'Closely related party' is defined in the Corporations Act and includes a spouse, dependant and certain other close family members, as well as any companies controlled by a relevant KMP.

Resolution 2 – Remuneration Report:

Abacus Property Group will disregard any votes cast (in any capacity) on Resolution 2 by or on behalf of a KMP named in the Group's Remuneration Report for year ended 30 June 2018 or that KMP's closely related party (regardless of the capacity in which the vote is cast), or as a proxy by any KMP at the date of the Meetings or that KMP's closely related party, unless the vote is cast:

- as proxy for a person entitled to vote, in accordance with a direction on the proxy form; or
- by the Chairman of the Meetings as proxy for a person who is entitled to vote, where the proxy form does not specify the way the proxy is to vote on the resolution and the proxy form expressly authorises the proxy to vote as the proxy decides even though the resolution is connected with the remuneration of the KMP.

Resolution 4 – Grant of security acquisition rights to the Managing Director

Abacus Property Group will disregard any votes cast on Resolution 4 by the Managing Director (being the only director of Abacus Property Group who is eligible to participate in the employee incentive scheme in respect of which approval is sought) or any of his associates (regardless of the capacity in which the vote is cast). However, Abacus Property Group need not disregard a vote if it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or it is cast by a person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form, to vote as the proxy decides.

Abacus Property Group will disregard any votes cast on Resolution 4 as a proxy by a KMP at the date of the Meetings or a KMP's closely related party, unless the vote is cast:

- as proxy for a person entitled to vote, in accordance with a direction on the proxy form; or
- by the Chairman of the Meetings as proxy for a person who is entitled to vote where the proxy form does not specify the way the proxy is to vote on the resolution and the proxy form expressly authorises the proxy to vote as the proxy decides even though the resolution is connected with the remuneration of a KMP.

Proxies and corporate representatives

If you are unable to attend the Meetings, you are encouraged to appoint a proxy to attend and vote on your behalf.

A securityholder entitled to attend and vote at the Meetings is entitled to appoint a proxy. A securityholder entitled to cast two or more votes may appoint two proxies and may specify the proportion or the number of votes each proxy is appointed to exercise.

A proxy need not be a securityholder of the Abacus Property Group. Abacus Property Group must receive proxies at least 48 hours before the Meetings (that is, **before 10am (Sydney time) on Tuesday 13 November 2018**). A proxy form is provided with this notice.

You can direct your proxy how to vote by following the instructions on the proxy form. Securityholders are encouraged to direct their proxy how to vote on each item of business.

Any directed proxies that are not voted on a poll at the Meetings by a securityholder's appointed proxy will automatically default to the Chairman of the Meetings, who is required to vote proxies as directed on a poll.

The KMP of Abacus Property Group (which includes all directors) will not be able to vote your proxy on remuneration related resolutions (being Resolutions 2 and 4) unless you direct them how to vote, or the Chairman of the Meetings is your proxy.

If you intend to appoint the Chairman of the Meetings as your proxy (or if he becomes your proxy by default), you can direct him how to vote by marking one of the voting boxes for the relevant resolution on the proxy form (for example to vote 'for', 'against' or 'abstain' from voting). Alternatively, if the Chairman of the Meetings is or becomes your proxy and you do not mark any of the boxes opposite a resolution, the Chairman may vote as he sees fit. Please note that by submitting the proxy form without voting instructions, you will be giving the Chairman of the Meetings your express authority to vote your proxy as he decides on remuneration related resolutions, even though the resolution is connected directly or indirectly with the remuneration of a member of the KMP of Abacus Property Group.

The Chairman of the Meetings intends to vote all undirected proxies held by the Chairman in favour of each Resolution.

Completion of a proxy form will not prevent individual securityholders from attending the Meetings in person if they wish. Where a securityholder completes and lodges a valid proxy form and then the securityholder attends the Meetings in person, if the member votes on a resolution, their proxy is not entitled to vote, and must not vote, on that resolution.

If a securityholder appoints a body corporate as a proxy, that body corporate will need to ensure that it:

- appoints an individual as its corporate representative to exercise its powers at the meeting, in accordance with section 250D of the Corporations Act; or
- provides satisfactory evidence of the appointment of its corporate representative prior to commencement of the Meetings.

Corporate securityholders should comply with the execution requirements set out on the proxy form or otherwise comply with the provisions of section 127 of the Corporations Act.

The corporate representative certificate (or a photocopy of it or a facsimile of it) must be lodged by one of the below methods by 4.00pm (Sydney time) on the day before the meeting

Proxies and corporate appointment of representative forms must be lodged **before 10am (Sydney time) on Tuesday 13 November 2018** using the reply paid envelope or:

By online voting: www.votingonline.com.au/abacusagm2018

By mail: Registry – Boardroom Limited, GPO Box 3993, Sydney NSW 2001 Australia

By fax: + 61 2 9290 9655

By hand: Level 12, 225 George Street, Sydney NSW 2000 Australia

Voting entitlements

In accordance with Corporations Regulations 7.11.37, the directors have determined that the securityholding of each securityholder for the purposes of ascertaining the voting entitlements for the Meetings will be as it appears in the Abacus Property Group Security Register at 7.00pm (Sydney time) on Tuesday, 13 November 2018. Accordingly, security transfers registered after that time will be disregarded in determining entitlement to attend and vote at the Meetings.

Explanatory memorandum

Item 1: Receive and consider the Annual Financial Report and other reports

As required by section 317 of the Corporations Act, the Annual Financial Report and other reports for the financial year ended 30 June 2018 will be laid before the Meetings.

Securityholders will have a reasonable opportunity as a whole to raise questions on the reports and on the performance of Abacus Property Group generally, and may ask questions of ABP's external auditor that are relevant to:

1. the conduct of the audit; and
2. the preparation and content of the auditor's report.

Questions directed to the auditor may be submitted in writing to Company Secretary, Abacus Property Group, Level 34 Australia Square, 264–278 George Street, Sydney NSW 2000, and must be received by no later than **7.00 pm on 8 November 2018**.

If written questions are received, the question list will be made available to securityholders attending the Meetings. The auditor may answer the questions at the Meetings or table written answers. If written answers are tabled, they will be made available to securityholders after the Meetings.

There is no vote on this item of business.

Resolution 2: Adoption of Remuneration Report

The Remuneration Report forms part of the Directors' Report set out in the 2018 - Annual Financial Report. The Remuneration Report includes:

- an explanation of Abacus Property Group's policy for determining the remuneration of directors and executives;
- a discussion of the relationship between the policy and Abacus Property Group's performance; and
- details of the performance conditions associated with the remuneration of the directors and executives.

Securityholders will have a reasonable opportunity as a whole to ask questions about, or make comments on, the Remuneration Report.

The vote on this resolution is advisory only and does not bind the directors or Abacus Property Group; however the directors will have regard to the outcome of the vote and any discussion when setting the remuneration policies of Abacus Property Group in future years.

A voting exclusion statement applies to this resolution, as set out in the Notice of Meetings.

The directors recommend securityholders vote **in favour** of this resolution.

The Chairman of the Meetings intends to vote all undirected proxies held by the Chairman **in favour** of this resolution.

Resolution 3: Election of directors

The Abacus Property Group Board would like to note, as part of its orderly board renewal plans, Mr William Bartlett and Mr Peter Spira have indicated their intention to retire from the board at this year's Annual General Meeting.

William (Bill) retires from the Board following 11 years of service to the Board and Abacus Property Group. Bill was the Chairman of the Board's Audit & Risk Committees for the last year after many years as Chairman of the Nomination and Remuneration Committee. The Board would like to extend its gratitude and thanks to Bill for his contribution and leadership during his service over this time.

Peter retires from the Board following 3 years of service as the business strategy moves to exit residential markets. Peter's contribution to Abacus Property Group's residential business has been outstanding, providing strong guidance and direction. Peter was Chairman of the Board's Nomination and Remuneration Committee for the last year.

At the conclusion of this year's AGM the five member Abacus Board will be composed of 40% female members and further enhances Abacus Property Group's diversity practices. It is anticipated that additional board appointments will be considered in the next 12 months to ensure Abacus Property Group is adequately represented across its material skills matrix.

Further, continuing the orderly board renewal plans, after serving as Chairman of the Group for more than 16 years, Mr John Thame has indicated that it is his intention to retire from the Board, at or before the next AGM in November 2019.

Election of Mr Mark Haberlin

Listing Rule 14.4 and the Companies' constitutions require that at an AGM, a director who was appointed to fill a vacancy or as an addition to the Board since the last AGM, holds office until the conclusion of the next AGM but is eligible for election at that AGM.

Mark is an independent Non-Executive Director. Mark has significant expertise in fields that cover accounting and audit, capital transactions, mergers and acquisitions and risk management in the real estate and technology sectors. Mark has been a highly respected partner at PwC for 25 years where he developed key accounting and audit experience. Mark moved from Audit to Transaction Services in 2006 and began working with clients across the real estate, financial services, healthcare and technology industries providing advice on complex business planning and corporate transactions. Mark was elected to the PwC Governance Board in 2010 and completed the last two years as Chairman.

Mark is a Chartered Accountant in Australia, England and Wales and holds a Bachelor of Civil Engineering, Imperial College London. Mark will be appointed Chairman of the Audit and Risk committee.

The directors recommend securityholders vote **in favour** of this resolution.

The Chairman of the Meetings intends to vote all undirected proxies held by the Chairman **in favour** of this resolution.

Resolution 4: Grant of security acquisition rights to the Managing Director

Securityholder approval is being sought to allocate to the Managing Director (MD) of Abacus Property Group, Mr Steven Sewell, deferred variable remuneration in the form of deferred security acquisition rights (SARs) under the ABP's Deferred Security Acquisition Rights Plan (Plan). The Plan has been designed to align the interests of executives with those of securityholders by providing for a significant portion of the remuneration of participating executives to be linked to the delivery of sustainable and growing underlying profit that covers the distribution level implicit in the ABP security price and incremental growth in capital value.

Subject to securityholder approval, the boards of the Companies (**Boards**) have determined to grant a deferred variable remuneration award to the MD in respect of the financial year ending on 30 June 2019 of 165,996 SARs at no cost. The number of SARs to be granted to the MD has been calculated by dividing \$580,000 by the 10 day volume weighted average price of ABP securities (**VWAP**) for the period commencing on the second trading day after the full year results announcement for the year ended 30 June 2018 were released to the market. The SARs will be granted on or about 15 November 2018, but in any event within 12 months of the Meetings.

Why is securityholder approval being sought?

ASX Listing Rule 10.14 requires that securityholders approve awards of SARs issued to directors under an employee incentive plan. ASX Listing Rule 10.15B provides that such approval is not required if the terms of the plan require that the securities received on vesting of a SAR will be purchased on market. The intention of the requirement is to protect securityholders from dilution in the value of securities that may occur as a result of the operation of employee incentive plans. No such dilution occurs if securities are purchased on market.

All ABP securities required to satisfy the vesting of SARs awarded will be purchased on market and so there will be no dilution to securityholders' interests. Although there is therefore no requirement to do so under the ASX Listing Rules, the Boards consider it good governance to seek approval from securityholders for awards made to the MD.

Background

Each year the Boards review and approve the remuneration of the MD. The MD's remuneration is set in accordance with the ABP's Executive Remuneration Policy which supports the achievement of the ABP's overall objective of producing sustainable growth and consistency of yield and aligns the interests of executives with those of securityholders through the use of current and deferred incentives.

Consistent with the Executive Remuneration Policy, the MD's remuneration package for the financial year ending 30 June 2019 will include:

- (a) fixed remuneration (base salary, superannuation and non-monetary benefits)
- (b) variable remuneration comprising:
 - current variable remuneration; and
 - deferred variable remuneration.

The deferred variable remuneration applicable to the 2018/2019 financial year was assessed following the end of the 2017/2018 financial year at the same time as the assessment was made of the MD's current variable remuneration for the 2017/2018 financial year. The Boards have determined to grant to the MD a deferred variable remuneration award of \$580,000 for the financial year ending 30 June 2019, to be satisfied, subject to securityholder approval, in the form of SARs granted in accordance with the Plan.

The Plan – deferred variable incentives

Overview: The Plan involves an annual grant of deferred variable incentives, in the form of SARs, to participants. Each SAR represents a right to receive one fully paid ABP security, subject to satisfaction of performance conditions and to continued employment with ABP. The Plan exposes executives to fluctuations in the ABP security price throughout the vesting period and directly rewards them for increasing ABP's security price over that period.

The MD's SARs will vest in four equal tranches of 41,499 SARs each, over a four year period from the first, second, third and fourth anniversaries of the conditional allocation date, being 13 September 2018.

The MD is entitled, before any tranche of SARs vests, to extend the vesting date for that tranche by 12 months. This right may be exercised at any time and from time to time in respect of any unvested tranches while the MD's employment continues.

Quantum of award: For the financial year ending 30 June 2019, subject to securityholder approval, Mr Sewell will be granted 165,996 SARs. Additional ABP securities may be granted after each vesting date equivalent to the aggregate of the distributions per ABP security paid (or declared but unpaid) during the period from the conditional allocation date of the relevant tranche to the vesting date for that tranche.

Performance hurdle: The level of distributions on ABP securities is implicit in its security price. If distribution levels are not maintained in the period between allocation and vesting, the value of unvested SARs will effectively decline. The grant of SARs therefore creates an inherent incentive to grow distribution levels and, consequently, an alignment with the medium term interests of securityholders. In addition, vesting is subject to a threshold performance hurdle: unvested tranches will lapse if the distributions per ABP security over the applicable vesting period falls below the annualised distribution rate determined by the Boards in August 2018. The annualised distribution rate determined for the vesting of SAR's issued in relation to the prior financial year ending 30 June 2018 was \$0.17.

Distributions: To achieve a closer alignment of the interests of securityholders, when a tranche of SARs vests, the MD will also be paid in respect of each SAR that vests an amount (a notional distribution) equivalent to the aggregate of the distributions per ABP security paid during the period from allocation date of the relevant tranche to the vesting date for the relevant tranche plus the amount of any distribution per security declared and unpaid as at the vesting date. This entitlement will be satisfied in ABP securities to be purchased on market. The number of additional securities will be calculated by dividing the amount of the notional distribution by the VWAP of ABP securities over the first 10 trading days after the date the relevant tranche vests.

Termination of employment: The treatment of any unvested SARs at the time of termination depends upon the nature of the termination. If, for example, the MD is terminated for cause or for any other reason determined by the Boards not to be a 'good leaver' circumstance, any unvested SARs will lapse (unless the Boards determine otherwise). If the MD is a good leaver (eg the termination is due to death, disability, termination without cause and genuine retirement), the unvested SARs will remain on foot, subject to the original performance condition as though employment had not ceased and will vest on the original testing dates. However, the Boards retain the discretion to lapse all or any part of unvested SARs on cessation of employment.

Additional information: The early vesting of the SARs may be permitted by the Boards in other limited circumstances such as a change in control of Abacus Property Group, in which case the MD will be entitled to an amount determined by the Boards, having regard to the extent to which the performance hurdle has been achieved at the date of the change in control, the alignment between the interests of the then current securityholders and the MD during the change in control process and any other matter the Boards consider relevant.

No amount is payable by the MD upon the grant of these SARs or to acquire Abacus Property Group securities at vesting. No loan will be provided to the MD in relation to the deferred variable remuneration award.

Other than the MD, no director (or associate of a director) is currently entitled to participate in the Plan.

In 2017, Dr Frank Wolf, who was MD until 18 April 2018, received SARs amounting to 216,420 securities under the Plan. Mr Steven Sewell joined the Group in October 2017 and was appointed MD on 18 April 2018.

The directors (other than Mr Sewell) recommend securityholders vote **in favour** of this resolution.

The Chairman of the Meetings intends to vote all undirected proxies held by the Chairman **in favour** of this resolution.

TO VOTE BY COMPLETING THE PROXY FORM

STEP 1 APPOINTMENT OF PROXY

Indicate who you want to appoint as your proxy.

If you wish to appoint the Chairman of the Meetings as your proxy, mark the box. If you wish to appoint someone other than the Chairman of the Meetings as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting or does not vote on a poll in accordance with your directions, the Chairman of the Meetings will be your proxy. A proxy need not be a securityholder of the Group. Do not write the name of the issuer entity or the registered securityholder in the space.

Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meetings must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the Group's securities registry.

Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meetings and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Group's securities registry or you may copy this form.

To appoint a second proxy you must:

- complete two Proxy Forms. On each Proxy Form state the percentage of your voting rights or the number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- return both forms together in the same envelope.

STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, place a mark in one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of securities you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses (subject to certain limitations set out below). The Chairman intends to vote all available undirected proxies in favour of each resolution. If you mark more than one box on an item your vote on that item will be invalid.

If you intend to appoint a member of the key management personnel or one of their closely related parties as your proxy, they will not be able to vote your proxy on each of Resolutions 2 and 4 unless you direct them how to vote. Please ensure that you direct them how to vote on each of Resolutions 2 and 4 by marking the boxes opposite those resolutions.

Important Note on Resolutions 2 and 4 (remuneration-related resolutions)

If you have appointed the Chairman of the Meetings as your proxy (or the Chairman becomes your proxy by default), you can direct him how to vote by marking the boxes for

Resolutions 2 and 4. If you do not mark any of the boxes opposite Resolutions 2 and 4, then, by submitting the proxy form, you are expressly authorising the Chairman of the Meetings to cast your vote as he sees fit even if it is connected directly or indirectly with the remuneration of a member of key management personnel.

STEP 3 SIGN THE FORM

The form **must** be signed as follows:

Individual: This form is to be signed by the securityholder.

Joint Holding: where the holding is in more than one name, all the securityholders must sign.

Power of Attorney: to sign under a Power of Attorney, you must have already lodged it with the registry. Alternatively, attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: this form must be signed by a Director jointly with either another Director or a Company Secretary. Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. **Please indicate the office held by signing in the appropriate place.**

STEP 4 LODGEMENT

This Proxy Form (and any Power of Attorney under which it is signed) must be received at an address given below not later than 48 hours before the commencement of the meetings (i.e. no later than 10:00am (Sydney Time) on Tuesday, 13 November 2018). Any Proxy Form received after that time will not be valid for the scheduled meetings. **Proxies may be lodged using the reply paid envelope or:**
